

We request you to spend the vacation with your children and make this period a fruitful and happy learning experience for them.

1. Visit 3 monuments in your area. Know more about them and collect all information .
2. Visit a park / garden nearby to learn about plants , trees , birds and animals as they are an integral part of your child's growing up.
3. Have at least two meals together with your children. Ask them not to waste their food.
4. Make them wash their own plates after every meal to teach them dignity of labour .
5. Share stories about your childhood and your family history.
6. Visit the grandparents and let your children bond with them .Their love and emotional support is very important for your child. Click snaps with them.
7. Adopt a plant , name it , nurture it and take care of it just like your friend.
8. Teach children to tie their own laces , trim their nails & polish their shoes
9. Encourage them to converse in English.
10. Teach children to take care of their personal hygiene i.e. take bath regularly, keep their hair free of lice and brush teeth twice a day.
